

Break the Silence
XIIIth International AIDS Conference,
Durban, South Africa, 9-14 July 2000, Abstracts on Disk

- Aidara-Kane Awa, Sow P. S., Perret J. L., Mossoro C., Yassibanda P., Minssart P., Morvan J., Germani Y. — 2000 — Therapeutic efficiency evaluation of two algorithms developed for the management of HIV-related diarrhea in Bangui (Central African Republic) and Dakar (Senegal) [MoPeB2256]
- Alabi A. S., Blanchard T., Ariyoshi K., Berry N., Jaye A., Whittle H. — 2000 — Relationship between HIV-1 and HIV-2 viral load differs in HIV monotypic and dual infections [TuPeA3081]
- Bal D., Sylla O., Gentilini M., Touré M. A., Badiane S. — 2000 — Accompaniment and support for living with HIV through home visits an focus groups: the experience of the ambulatory treatment center of dakar [WePeD4518]
- Bertozi S., Gutierrez J.P. — 2000 — Resource requirements for HIV prevention in Africa: a modeling approach based on the successful programs in Uganda and Senegal [TuOrE454]
- Cissé-Thioye M., Ndoye Ibra, Antoine M. — 2000 — Problems in notifying a serologic status to the regular partners of HIV positive prostitutes registered in STD Center of Dakar/Senegal [WePeD4792]
- Desclaux A. — 2000 — Is HIV prevention incompatible with the medical culture of breastfeeding in West Africa? [TuPeD3721]
- Desclaux A., Taverne B., Alfieri C., Querre M., Coulibaly-Traoré D., Ki-Zerbo O. — 2000 — Socio-cultural obstacles in the prevention of HIV transmission through breastmilk in West Africa [MoOrD205]
- Dièye Dethié Y., G. D. Ismaila — 2000 — Ressource mobilization and accessibility E20 [MoPpE1141]
- Diop W., Trudelle M., Champagne P., Beaudry R. — 2000 — The transborder initiative: a network for community partnership in STD/AIDS management [TuPpD1257]
- Diouf E. D., S. Paul, Boissy Léopold, Ndoye Ibra — 2000 — Religious action at the international level in Africa: The example of international religious alliances against HIV in Africa (ARIVA) [MoPeD2741]
- Garba M.L., Musonda R., Allen S., Frelinger S. — 2000 — Cytotoxic T-Lymphocyte (CTL) activity in HIV exposed uninfected (EU) Zambians [WeOrA596]
- Gaye-Diallo A., Guèye-Ndiaye A., Gessain A., Ndour-Sarr A. N., Touré-Kane N. C., Touré A. T., Dia M. C., The G. de, Mboup S. — 2000 — Human Herpes Virus type 8 (HHV8) and HIV in antenatal clinic attendees in Senegal [WeOrA472]
- Gbodossou E. — 2000 — Role of traditional healers in the prevention of HIV/AIDS : Training as information, education and communication (IEC) agents [TuPeD3640]
- Gbodossou E. — 2000 — Role of traditional healers in the prevention of HIV/AIDS: Training as information, education and communication (IEC) agents [ThOrD780]
- Germani Y. , Mossoro C., Aidara A., Yassibanda S., Sow P., Minssart P., Perret J., Morvan J. — 2000 — Therapeutic efficiency evaluation of two algorithms developed in the management of HIV-infected adult-associated diarrhea in Bangui and Dakar [WePeA4016]
- Goudiaby I., Guèye Momar — 2000 — No title indicated [MoPeD2570]
- Grundmann C., Krasovec K., Barnett C. — 2000 — The effect of decentralizing health services on national AIDS programs: Evidence from Ethiopia and Senegal [ThPeD5712]
- Guèye M., Cissé K., Ndoye I. — 2000 — Ethical aspects of antiretroviral treatment in Senegal

[TuPpE1281]

- Jewkes R., Levin J. — 2000 — Relationships between gender inequalities and HIV preventive practices: implications for intervention evaluation [WePpD1416]
- Kanki P., Popper S., Dieng-Sarr A., Guèye-Ndiaye A., Mboup S. — 2000 — Low HIV-2 plasma viral load is correlated with Slow Disease Progression [MoPpA1081]
- Kanki P., Sankalé J.-L., Kokkotou E., Mboup S., Guèye-Ndiaye A., Essex M. — 2000 — In vitro evidence of HIV-2 protection from subsequent HIV-1 infection [WePeA3996]
- Keita I., Wone C., Sow P. G. — 2000 — Prevention of STD/AIDS in non structured sector the case of apprentices in Senegal [WePeC4394]
- Krasovec K., Barnett C., Grundmann C., Nandakumar A. K., Steinberg M., Connor C., Kinghorn A., Putney P., Telyukov A. — 2000 — The relationship between health sector reform and the delivery of HIV/AIDS services [WeOrD463]
- Krikorian G. — 2000 — Implication of PWAs and PWA associations to develop access to care and treatment in developing countries as a necessity [WePeE4857]
- Lanièce I., Ndoye I., Sow K., Badiane S., Thiam A., Diakhaté N., Desclaux A., Ciss M. — 2000 — Antiretroviral treatment initiative in Senegal: Results on treatment observance from a study conducted at the pharmacy [ThPeB5011]
- Liotta G., Riccardi F., Palombi L., Marazzi M. C. — 2000 — HIV-1/HIV-2 infection prevalence in a sample of inpatients of the hospital "Raoul Follereau-Comunite di Sant Egidio" of Bissau, Guinea Bissau [WePeC4413]
- Macondo E. A., Ba F., Kairé O., Gaye-Diallo A., Touré-Kane N. C., Boye C. S-B., Guèye-Ndiaye A., Diop H. — 2000 — MGIT AST SIRE: a rapid susceptibility testing method for Mycobacterium tuberculosis complex [WePeA4091]
- Marlink R., Ayres J. R. C. M., Bloom D., Gathiram V., Mboup S., Reich M., Senaratana W., Tarantola D., Gruskin S. — 2000 — The enhancing care initiative: improving HIV/AIDS care in resource poor settings [ThPeB5227]
- Maville E., Mpekeyimana B., Somda M., Gohni C., Diallo R., Sylla A. — 2000 — "Africa 2000" : A network to develop medical care and support for PLWA [MoPpE1135]
- Maville E., Walfard P. — 2000 — A support fund for income-generating projects implemented by people living with AIDS in sub Saharan Africa : result of a feasibility study [MoPeD2586]
- Mayaud P., Cook K., Demba E., West B., Ekpo G., Scherf C., Morison L., Walraven G. — 2000 — Evaluation of a new commercial rapid diagnostic kit for bacterial vaginosis in The Gambia, West Africa [MoPeA2105]
- Maynard M., Sow P. S., Coll-Seck A. M., Lievre L., Kony S., Ngom-Guèye N. F., Bassène E., Metro A., Ndoye I., Ba D., Coulaud J. P., Costagliola D. — 2000 — Primary prevention with cotrimoxazole for HIV-1 infected adults: results of the pilot study in Dakar, Senegal [WePeA4023]
- Mazars C. — 2000 — The community wall [TuPeE3946]
- Mbaye N., Sylla O., Becker C., Tapsoba P. — 2000 — First national forum on AIDS research in Senegal [WePeE4902]
- Montavon C., Peeters M., Vergne L., Touré-Kane N. C., Bourgeois A., Jourdan J., Mpoudi-Ngole E., Delaporte E. — 2000 — Full-length genome sequences of a new circulating recombinant form of HIV-1 in Africa involving subtypes A and J. [MoPeA2069]
- Ndoye I., Perret J. L., Mboup S., Faye-Niang M. A., Sow P. S., Ciss M., Delaporte E., Coulaud J. P., Badiane S. — 2000 — Feasibility and efficacy of a first governmental initiative on antiretroviral therapy in subsaharan countries: The case of Senegal [ThPeB5278]
- Ndoye P. M., Diallo A. A., Diaw P. O., Sall I., Kane-Coulibaly M., Hane A. A., Diakhaté L., Ndoye I., Mboup S. — 2000 — Evaluation of the senegalese sentinel surveillance: towards to a second generation system [MoPeC2394]

- Nicholson O., Marlink R., Kanki P., Thior I., Essex M., Mboup S. — 2000 — Impact of active TB on HIV survival outcomes [TuPpC1241]
- Norrngren H., Bamba S., da Silva Z., Andersson S., Koivula T., Naulé A., Biberfeld G. — 2000 — High mortality and severe immunological changes in patients with pulmonary tuberculosis and HIV-2 in Guinea-Bissau [WePeC4438]
- Onanga R., Poaty-Mavongou V., Souquiere S., Kornfeld C., Muller-Trutwin M., Rouquet P., Apetrei C., Simon F., Mboup S. J. — 2000 — SIVmndGB1 in mandrillus sphinx : A new model for experimental SIV primary infection [TuPeA3029]
- Paine K., Shaw M., Jawo M., Hart G., Seesay S., McAdam K., Walraven G. — 2000 — A pilot evaluation of stepping stones in the Gambia: Qualitative methods [WePeD4720]
- Peeters M. , Mboup S., Ndoyi-Mbiguino A., Koyalta D., Mulanga-Kabeya C., Mpoudi-Ngole E. — 2000 — Genetic diversity of HIV-1 in West and West Central Africa [TuOrA411]
- Philpott A., Conteh M., Faleel N., Hewapathirana L., Jayawardee A., Lamichhane B., Pande N., Rawal B., Wickremasinghe L. — 2000 — FACTS: Implementing a prototype project in different places: planning for cultural context but not for logistics [WePeE4881]
- Sande Marianne van der, Paine K., West B., Akum A., McAdam K., Morison L., Walraven G., Shaw M. — 2000 — Feasibility study to use HSV2 incidence to measure effect of a behavioral HIV intervention in a rural population [MoOrD200]
- Sarge-Njie R., Schim van der Loeff M., Ceesay S., Sabally S., Blanchard T., Cubitt D., Whittle H. — 2000 — Dried blood spot for use in sentinel surveillance of HIV-1/2 [MoPeA2116]
- Schim van der Loeff M. , Aaby P., Vincent T., Aveika A., Alabi A., Da Costa C., Whittle H. — 2000 — Is HIV-2 a vaccine ? [MoPeA2083]
- Schim van der Loeff Maarten, Jaffar S., Akum A. , Ariyoshi K., Sabally S., Corrah T., Whittle H. — 2000 — Comparing survival of HIV-1 and HIV-2 in a clinic-based follow-up study [TuOrC430]
- Seck K., Niang N. S., Diop O., Dioum R., Gassama B. — 2000 — Involving private pharmacies in the control of HIV/AIDS/STI in the city of Dakar Senegal [WePeC4381]
- Seck S. — 2000 — Migration, polygamy and HIV-SIDA (The experience of senegalese women infected with HIV/SIDA) [MoPeD2531]
- Shaw M., Paine K., Jawo M., Seesay S., Hart G., Morison L., Wuchuku-King S., Dibba Y., McAdam K., Walraven G. — 2000 — A pilot evaluation of the Stepping Stones HIV prevention programme: quantitative methods [WePeD4722]
- Sow Ndiaye N.K., Lanièce I., Desclaux A., Taverne B., Faye-Niang M. A., Badiane S., Perret J. L., Ndoye I., Sylla O. — 2000 — Aspects of compliance during antiretroviral multitherapy in Dakar A preliminary study [WePeD4581]
- Sow P.S., Laurent C., Guèye P. M., Faye-Niang M. A., Ciss M., Mboup S., Badiane S., Delaporte E., Ndoye I. — 2000 — The clinical effectiveness of antiretroviral multitherapy in a limited resource context: the example of the Senegalese arv access initiative [TuOrB297]
- Sturm-Ramirez K., Gaye-Diallo A., Mboup S., Kanki P. — 2000 — Bacterial vaginosis is associated with increased levels of proinflammatory cytokines in cervical secretions [WePpA1369]
- Sylla O., Lanièce I., Sow N. K., Bal D., Ndiaye M., Ciss M., Desclaux A., Moreira-Diop T., Ndoye I. — 2000 — Antiretroviral treatment initiative in Senegal: Financial accessibility of the national program and patients contribution levels [WePeD4585]
- Tarantola A., Doumbia S., Bouvet E. — 2000 — African ABE Network, Implementation of prospective accidental blood exposure surveillance systems in 3 Western African countries [TuPeD3652]
- Thiebaut R., Receveur M. C., Malvy D., Djossou F., Morlat P., Mercie P., Le Bras M., Dabis F. — 2000 — Yellow fever vaccination of HIV-infected patients, Bordeaux, France, 1998-1999 [WePeB4239]

- Toukara O. D. — 2000 — AIDS' orphans social rehabilitation children in difficult situation and deprived families in Senegal [MoPeD2591]
- Touré M. A., Faye-Niang M. A., Baal D., Diouf L. M., Diakhaté N., Badiane S., Ndoye I., Gentilini M., Sylla O. — 2000 — The exchange of experiences and support in pairs among patients on antiretroviral therapy: experience of the ambulatory treatment center (CTA), Dakar, Senegal [WePeD4580]
- Touré-Kane N. C., Touré M. A., Vergne L., Faye M. A., Sow S., Guèye M., Ndoye I., Peeters M., Mboup S. — 2000 — Analysis of mutations in the protease and RT genes before the initiation of the governmental initiative on antiretroviral therapy in Senegal [TuPeB3279]
- Travers K., Dia M., Traoré I., Eisen G., Hsieh C.-C., Mboup S., Kanki P. — 2000 — Viral load and disease outcome in non-b HIV-1 infection [MoPeA2078]
- Trudelle M., Beaulieu D., Diop W. — 2000 — Monitoring and assessment of Information, Education and Communication (IEC) activities on STD health care awareness: Results from the West Africa Aids Project - Phase 2 [ThPeD5737]
- Vandamme A.-M., Salemi M., Stirrmer K., Hall W., Duffy M., Delaporte E., Mboup S., Peeters M. — 2000 — Dating HIV and HCV epidemics with a new method to uncover clock-like molecular evolution: HIV-1 group M originated during the 1930s [MoOrA163]
- Vergne L., Peeters M., Mpoudi-Ngole E., Touré C., Mboup S., Mulanga-Kabeya C., Reynes J., Jourdan J., Delaporte E. — 2000 — Genetic diversity of protease and reverse transcriptase sequences of non-B HIV-1 strains: evidence for many minor or accessory mutations in drug naive individuals [MoPeA2059]
- Wihofszky P. — 2000 — Prevention and care projects for sex workers in West Africa: revealing hidden aspects of the peer workers' role [WePeD4800]
- Winskell K., Enger D. — 2000 — Scenarios from the Sahel: community mobilisation and the generation of a media campaign [MoPeD2784]
- Zo Angono M., Brown Ndiaye C., Diouf E. D., Vadelorge M. L., Sagna P. — 2000 — The role of SIDA-SERVICE-Dakar in Health Education [TuPeD3580]
